Observe the displayed characters	Password characters are masked rather than displayed as plain text	Password characters are masked rather than displayed as plain text	PASS	TC-LOGIN-009.PNG
TC-LOGIN-0010	Verify login form can be submitted using keyboard	Valid credentials	User is on login page	1. Enter username 2. Enter password 3. Use the appropriate keyboard action to submit the form	Login form is submitted and user is logged in successfully	Login form is submitted and user is logged in successfully	PASS	TC-LOGIN-010.PNG
TC-PROD-001	Verify product list is displayed	N/A	User is logged in	1. Open inventory page 2. Observe product listing	Available products are displayed	Available products are displayed	PASS	TC-PROD-001.PNG
TC-PROD-002	Verify product name is displayed	Any available product	User is on inventory page	1. Select a product 2. Observe product card	Product name is displayed correctly	Product name is displayed correctly	PASS	TC-PROD-002.PNG

TC-PROD-003	Verify product description is displayed	Any available product	User is on inventory page	Observe product card	Product description is displayed correctly	Product description is displayed correctly	PASS	TC-PROD-002.PNG
TC-PROD-004	Verify product image is displayed	Any available product	User is on inventory page	Observe product card	Product image is displayed correctly	Product image is displayed correctly	PASS	TC-PROD-002.PNG
TC-PROD-005	Verify product price is displayed	Any available product	User is on inventory page	Observe product card	Product price is displayed correctly	Product price is displayed correctly	PASS	TC-PROD-002.PNG
TC-PROD-006	Verify product sorting by name A-Z	Sort: Name A to Z	User is on inventory page	1. Open sorting dropdown 2. Select Name A to Z 3. Observe product order	Products are displayed in ascending alphabetical order	Products are displayed in ascending alphabetical order	PASS	TC-PROD-006.PNG
TC-PROD-007	Verify product sorting by name Z-A	Sort: Name Z to A	User is on inventory page	1. Open sorting dropdown 2. Select Name Z to A 3. Observe product order	Products are displayed in descending alphabetical order	Products are displayed in descending alphabetical order	PASS	TC-PROD-007.PNG
TC-PROD-008	Verify product sorting by price high to low	Sort: Price High to Low	User is on inventory page	1. Open sorting dropdown 2. Select Proce High to Low 3. Observe product order	Products are displayed from highest price to lowest price	Products are displayed from highest price to lowest price	PASS	TC-PROD-008.PNG
TC-PROD-009	Verify product sorting by price low to high	Sort: Price Low to High	User is on inventory page	1. Open sorting dropdown 2. Select Proce Low to High 3. Observe product order	Products are displayed from lowest price to highest price	Products are displayed from lowest price to highest price	PASS	TC-PROD-009.PNG
TC-PROD-010	Verify product can be added directly from product listing	Any available product	User is on inventory page	1. Select Add to cart on a product 2. Open cart	Selected product is added to the cart	Selected product is added to the cart	PASS	TC-PROD-010.PNG
TC-DETAIL-001	Verify user can access product detail	Any available product	User is on inventory page	Click product name/image	User is redirected to the selected product detail page	User is redirected to the selected product detail page	PASS	TC-PROD-002.PNG
TC-DETAIL-002	Verify product detail displays correct product name	Any available product	User is on product detail page	Observe product name	Product detail page displays the correct product name	Product detail page displays the correct product name	PASS	TC-PROD-002.PNG
TC-DETAIL-003	Verify product detail displays correct price and description	Any available product	User is on product detail page	Observe price and description	Correct product price and description are displayed	Product detail page displays the correct product name	PASS	TC-PROD-002.PNG
TC-DETAIL-004	Verify product can be added to cart from detail page	Any available product	User is on product detail page	1. Click Add to cart 2. Open cart	Selected product is added to the cart	Selected product is added to the cart	PASS	TC-DETAIL-004.PNG
TC-DETAIL-005	Verify user can return to product listing	Any available product	User is on product detail page	Click Back to Products	User is returned to the inventory page	User is returned to the inventory page	PASS	TC-DETAIL-005.PNG

TC-CART-001	Verify product can be added to cart	One available product	User is logged in	1. Click Add to cart 2. Open cart	Selected product appears in cart	Selected product appears in cart	PASS	TC-PROD-010.PNG
TC-CART-002	Verify multiple products can be added to cart	Two or more products	User is logged in	1. Add product A 2. Add product B 3. Open cart	All selected products appear in cart	All selected products appear in cart	PASS	TC-CART-002.PNG
TC-CART-003	Verify cart badge reflects selected products	One or more products	User has added products	1. Add products 2. Observe cart icon/badge	Cart indicator reflects the number of selected items according to application behavior	Cart indicator reflects the number of selected items according to application behavior	PASS	TC-CART-003.PNG
TC-CART-004	Verify selected product information is displayed in cart	One product	Product has been added to cart	1. Open cart 2. Compare product with product selected previously	Correct product name, price, and relevant information are displayed	Correct product name, price, and relevant information are displayed	PASS	TC-CART-003.PNG
TC-CART-005	Verify product can be removed from cart	One product	Product is in cart	1. Open cart 2. Click Remove	Selected product is removed from cart	Selected product is removed from cart	PASS	TC-CART-005.PNG
TC-CART-006	Verify multiple products can be removed from cart	Two or more products	Multiple products are in cart	1. Open cart 2. Remove products individually	Selected products are removed correctly	Selected product is removed from cart	PASS	TC-CART-005.PNG
TC-CART-007	Verify cart can be accessed from inventory page	N/A	User is logged in	Click cart icon	User is redirected to the shopping cart page	User is redirected to the shopping cart page	PASS	TC-PROD-010.PNG
TC-CART-008	Verify user can continue shopping from cart	N/A	User is on cart page	Click Continue Shopping	User is returned to the inventory/product listing page	User is returned to the inventory/product listing page	PASS	TC-CART-003.PNG
TC-CHECK-001	Verify checkout with valid customer information	First Name: Shofia Last Name: Atika Postal Code: 40113	User has at least one product in cart	1. Open cart 2. Click Checkout 3. Enter valid information 4. Click Continue	User proceeds to checkout overview	User proceeds to checkout overview	PASS	TC-CHECK-001.PNG
TC-CHECK-002	Verify validation for empty first name	First Name: empty Last Name: valid Postal Code: valid	User is on checkout information page	1. Leave first name empty 2. Fill other fields 3. Click Continue	System prevents continuation and displays validation message for first name	System prevents continuation and displays validation message for first name	PASS	TC-CHECK-002.PNG
TC-CHECK-003	Verify validation for empty last name	First Name: valid Last Name: empty Postal Code: valid	User is on checkout information page	1. Fill first name 2. Leave last name empty 3. Fill postal code 4. Click Continue	System prevents continuation and displays validation message for last name	System prevents continuation and displays validation message for last name	PASS	TC-CHECK-003.PNG

TC-CHECK-004	Verify validation for empty postal code	First Name: valid Last Name: valid Postal Code: empty	User is on checkout information page	1. Fill first name 2. Fill last name 3. Leave postal code empty 4. Click Continue	System prevents continuation and displays validation message for postal code	System prevents continuation and displays validation message for postal code	PASS	TC-CHECK-004.PNG
TC-CHECK-005	Verify validation when all checkout fields are empty	All fields empty	User is on checkout information page	1. Leave all fields empty 2. Click Continue	System prevents continuation and displays validation message for required field(s)	System prevents continuation and displays validation message for required field(s)	PASS	TC-CHECK-005.PNG
TC-CHECK-006	Verify order summary displays selected product	One selected product	User has completed checkout information	1. Continue to overview 2. Review listed product	The product in the order summary matches the product selected in the cart	The product in the order summary matches the product selected in the cart	PASS	TC-CHECK-006.PNG
TC-CHECK-007	Verify order summary displays correct product price	One selected product	User is on checkout overview	Compare product price in inventory/cart with overview	Product price is displayed correctly	Product price is displayed correctly	PASS	TC-CHECK-006.PNG
TC-CHECK-008	Verify order summary calculates subtotal correctly	One or more products	User is on checkout overview	1. Calculate expected subtotal from selected products 2. Compare with displayed subtotal	Displayed subtotal matches the expected calculation	Displayed subtotal matches the expected calculation	PASS	TC-CHECK-001.PNG
TC-CHECK-009	Verify tax is calculated correctly	One or more products	User is on checkout overview	1. Calculate/verify expected tax according to application behavior 2. Compare with displayed tax	Displayed tax is calculated according to the application's defined calculation	Displayed tax is calculated according to the application's defined calculation	PASS	TC-CHECK-001.PNG
TC-CHECK-010	Verify total amount is calculated correctly	One or more products	User is on checkout overview	1. Review subtotal, tax, and total 2. Verify calculation	Total amount is calculated correctly based on subtotal and tax	Total amount is calculated correctly based on subtotal and tax	PASS	TC-CHECK-001.PNG
TC-CHECK-011	Verify user can complete an order	Valid checkout information	User is on checkout overview	1. Review order 2. Click Checkout	Order is completed and confirmation page/message is displayed	Order is completed and confirmation page/message is displayed	PASS	TC-CHECK-011.PNG
TC-LOGOUT-001	Verify user can logout	Logged-in user	User is logged in	1. Open navigation menu 2. Click Logout	User is logged out and redirected to the login page	User is logged out and redirected to the login page	PASS	TC-LOGOUT-001.PNG
TC-LOGOUT-002	Verify logout terminates authenticated session	Logged-in user	User is logged in	1. Logout 2. Attempt to access an authenticated page using browser navigation	User cannot continue using the authenticated session after logout	User cannot continue using the authenticated session after logout, but the displayed error message is truncated and unclear	FAIL	TC-LOGOUT-002.PNG

TC-LOGOUT-003	Verify user can login again after logout	standard_user / secret_sauce	User has successfully logged out	1. Enter valid credentials 2. Click Login	User can successfully log in again	User can successfully log in again	PASS	TC-LOGIN-001.PNG
